LICENSING OF STEVEDORES AT THE BOARD'S CRUISE PASSENGER TERMINALS

Issued - October 28, 2010

Effective - November 7, 2010

Any stevedoring service entity (STSE) that desires to do business on or in connection with the public passenger facilities of the Board by providing vessel loading and unloading services, and other stevedoring services in conjunction with the operation of any of the Board's cruise terminals shall apply for a license by submitting to the Board an application with the necessary supporting information as may be required by the Board and with payment of the appropriate fee determined by the Board's president and chief executive officer. No STSE may conduct business without a license as provided herein. Application for annual renewal of a license must be made at least 90 days before the expiration date of the current license and accompanied by the appropriate fee and supporting data. Each STSE shall furnish to Board evidence of insurance including, but not limited to, workers' compensation, comprehensive general liability, stevedore and terminal operators' liability, or an alternative acceptable to Board, and any other insurance in a form and with limits as the Board's president and chief executive officer may require. Failure of the STSE to retain the requisite coverages shall constitute cause for denying the use of the Board's facilities and for the immediate cancellation of a license previously issued.
